**Table Content:**

<table>
<thead>
<tr>
<th>Device Type</th>
<th>Model</th>
<th>Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>DVD</td>
<td>Region 1</td>
<td>0001</td>
</tr>
<tr>
<td></td>
<td>Region 2</td>
<td>0002</td>
</tr>
<tr>
<td></td>
<td>Region 3</td>
<td>0003</td>
</tr>
<tr>
<td></td>
<td>Region 4</td>
<td>0004</td>
</tr>
</tbody>
</table>

**Notes:**

- This table provides set-up codes for various devices.
- The codes are organized by device type (e.g., DVD, VCR).
- Each entry includes the region number and the corresponding code.
